Farmhouse Bowl #2186 \$99

## Banneton & Crock Gift Set

Our most unique shape is also our most versatile! It was designed originally for bread but our customers have shown us its many other uses. Now we can't imagine ever putting it away. The two piece set comes with our signature handled banneton (12" L) and petite crock (4 oz).

Special Gifts for Special People

## Handle Bowl Gift Set

The signature handle on this stackable bowl makes it a wonderful workhorse: sour cream dip, chili, chowder, ice cream! Scoop up on ready-to-give with an all natural herb dip mix — add sour cream and, voila! instant party! — or treat yourself to a set of four. You will love them! 15 oz

This great bowl holds 7 $\frac{1}{4}$  quarts and at 14" wide is the biggest bowl made in New England today. It's beautiful. We make the custom Bennington Salad Servers for a great addition.

## Antique Pitcher & Tumblers

Our homage to the wonderful old farmhouse pitcher that sat modestly on every New England table. Gently oval in shape, our version holds 1 $\frac{1}{2}$  quarts. The 11 ounce tumblers are the perfect companions because stoneware keeps cold drinks cold longer.

### Pair of Platters

Classic oval platters: at 19" L x 15" W, the large platter will hold turkey and fixings for family feasts and do double duty as a tea tray. The medium platter, 16" L x 12" W, is the perfect size for everyday service.
